Town Hall

Attendance: Erik Anderson

Ken Colby  
Jane Cushman

Public: Bruce Hook, Alan Flint, Larry Allen, Rhoda Ackerman, Rich Gilman, Mike Ackerman and wife, Rick Allen and Karl Pepperman

This special informational meeting was called to share information about 6 possible roads that might be put on highway map as trails. The following roads were discussed:

1. Slack Rd.
2. Chelsea to Brookfield Rd.
3. Tunbridge to Williamstown Rd.
4. Old Strafford Rd.
5. Kennedy Rd.
6. Blackhawk Rd.

Each road was discussed separately with the Selectboard and the public sharing their knowledge of each road. The majority of those present agreed that town right-of-ways should not be given up. Mike Ackerman and his wife were opposed to this action. The Selectboard emphasized that these right-of-ways would only be added as trails and that the Selectboard could designate the type of traffic on the trails. No decisions were made at the meeting. This will take place on the February 2, 2010 meeting.
