

SELECTBOARD MEETING
February 8, 2010 – 4:30 p.m.
Treas/AA Office

Attendance: Ken Colby, Ruben Hook, Erik Anderson, Carl Pepperman & Jane Cushman

This special warned meeting was called to discuss the following:

1. Ancient Roads – The Board reviewed the status of the 6 roads discussed at the informational meeting with Carl with particular emphasis on the Chelsea to Brookfield Road that crosses Carl's property. The Board established the policy that any of these roads that meet the State criteria will be examined on an individual basis.
 - a. After examining available evidence, Erik moved and Ruben seconded the motion to add .63 mi. to the Kennedy Road as a trail. This will extend TH #25 (Kennedy Road) to its intersection with Class 4 TH #24. So moved.
 - b. After examining available evidence, Erik moved and Ruben seconded the motion to ask the State to remove Trail #9 from the town highway map. So moved. Records indicate that this road was discontinued, in 1946, from VT Rte 110 to Bobbinshop Rd. past the residence of Dean Gilman to the residence of Glen Button. The State will be asked to review their records to make sure that the section of road was not returned to a trail at a later date.
2. Personnel – Ruben moved and Erik seconded the motion to enter executive session at 5:10 p.m. to discuss a personnel issue. So moved. Exited at 5:30 p.m. No action taken. The employee will be asked to a meeting on Wednesday afternoon.
