

SELECTBOARD MEETING

July 1, 2010 – 6:00 p.m.

Court Street Bridge

Pat Ross and Bill Van Fossen explained the benefits of doing the streambed armoring to Sue Ladd, Roxanne Benson, Heide Scheurer (Wellspring), Hayden Dodge, Jean Norlander and her daughter Susan. Gary Thrasher was there to meet with the Norlanders and possibly the Dodges as the same wall on both properties needs repair. Roxanne is going to try to talk with Bob Hutchinson. Kim Colson was not notified of the meeting but will be informed. Folks are going to discuss this and report back to the Board if they want to help in doing the job. Norlander and Dodge's wall will be done. Bill is going to start paperwork. We need to have land searches done. If enough landowners want to do the streambed project then Bill will do plans so it can be put out to bid.
