May 24, 2016

Present:

Michael Button

Mike Kuban

Joan Goodrich

Ruben Hook

The meeting was called to order at 5:34.

1. Act 250 Application:
 - a. Selectboard reviewed the correspondence from the Act 250 applicant and determined it was in accordance with verbal communications from the prior meeting.
 - b. Concern was expressed about the material discount being a set dollar amount and the impact of inflation over time. The Selectboard agreed to propose a percentage discount to protect against inflation.
 - c. Concern was also expressed about the timing of tree planting. The Selectboard agreed to propose an expected maximum time before trees would be planted.
 - d. Joan Goodrich offered to continue working with administrative staff on the correspondence. The Selectboard agreed.
2. Adjournment: Mike Kuban made a motion to adjourn, Ruben Hook seconded, all were in favor and the motion passed at 6:10pm.
