

SELECTBOARD MEETING  
December 31, 2009 – 4:00 p.m.  
Treas/AA Office

Attendance: Ruben Hook, Erik Anderson, Ken Colby, Jane Cushman & John Dutton

This specially warned meeting was called to hear the results of John Dutton's research on Ancient Roads and to appoint Rick Allen to the DRB.

John has found other roads but narrowed the list down to 7 roads because they might not be as contested. After viewing the road map, the board agreed that John should, with some clerical help, proceed with the research of evidence to present to AOT in February for addition to the town highway map.

Erik moved and Ruben seconded the motion to appoint Rick Allen to the DRB. So moved.

Ken mentioned that he has had a citizen request to widen Klondike Road. This same citizen has expressed concern about being able to contact Orange County Sheriff's Department. OCSD told Ken that they have been in contact with this citizen.

The meeting adjourned at 5:45 p.m.
