

DRB Hearing

August 2, 2017

Town Hall Library 6:30 pm

Agenda

- Application ZP17-14 submitted by New Creation Fellowship for Conditional Use Review: The conversion of the entire ground floor of the Country Store Building and the attached southern building (currently catering building) from commercial use to community service use for church service and gatherings. 2). The replacement of 5 windows on the main building. 3). The replacement of concrete stairs of the catering building with wooden stairs. 4). The installation of handrails on the outside staircase of the main building, and on the lower platform of the staircase. The project is located in the Village Center Design Control Overlay District at 289 Vt. Route 110 (Parcel #100-052.000).
