

Chelsea Residents,

The Selectboard is closely monitoring the state and federal response to Covid-19. To this end, we are in continuous contact with the Department of Health, Emergency Management, the surrounding towns, and the state and local agencies involved in the response. The current [Stay at Home order](#) from Governor Scott "directs Vermonters to stay at home, leaving only for essential reasons, critical to health and safety. If leaving the home, Vermonters should adhere to social distancing policies, including remaining six feet from others (except for those with whom they share a home) and thoroughly and regularly washing hands." We are urging the community to heed this call. When leaving your home for essential reasons it is vital to understand, model and underscore the importance of [social distancing](#). In the words of Governor Scott, "The more Vermonters who take this seriously and stay home, the faster we can return to normal." You can read the full release from the Governor [here](#). You can read more about keeping yourself, your family, and your community safe from Covid-19 [here](#). You can follow up-to-date information on the [Chelsea community here](#).
